Quick-Start Kit: 18ft Straight Ceiling Mount

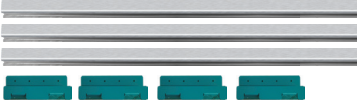

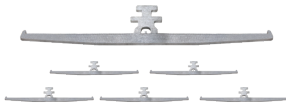

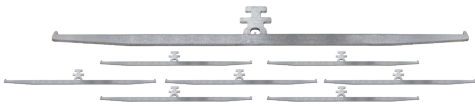

Allows 40 parts to be processed at a time

The PivotLine System can be configured to fit any shop size and budget. Our quick-start kits cover some of our most popular use cases, and as your shop's volume increases, the system can easily be expanded or reconfigured.

18ft Straight Kit: Allows for smooth back-and-forth movement of parts along the rail.

A complete list of the included components and pricing is on the following page.

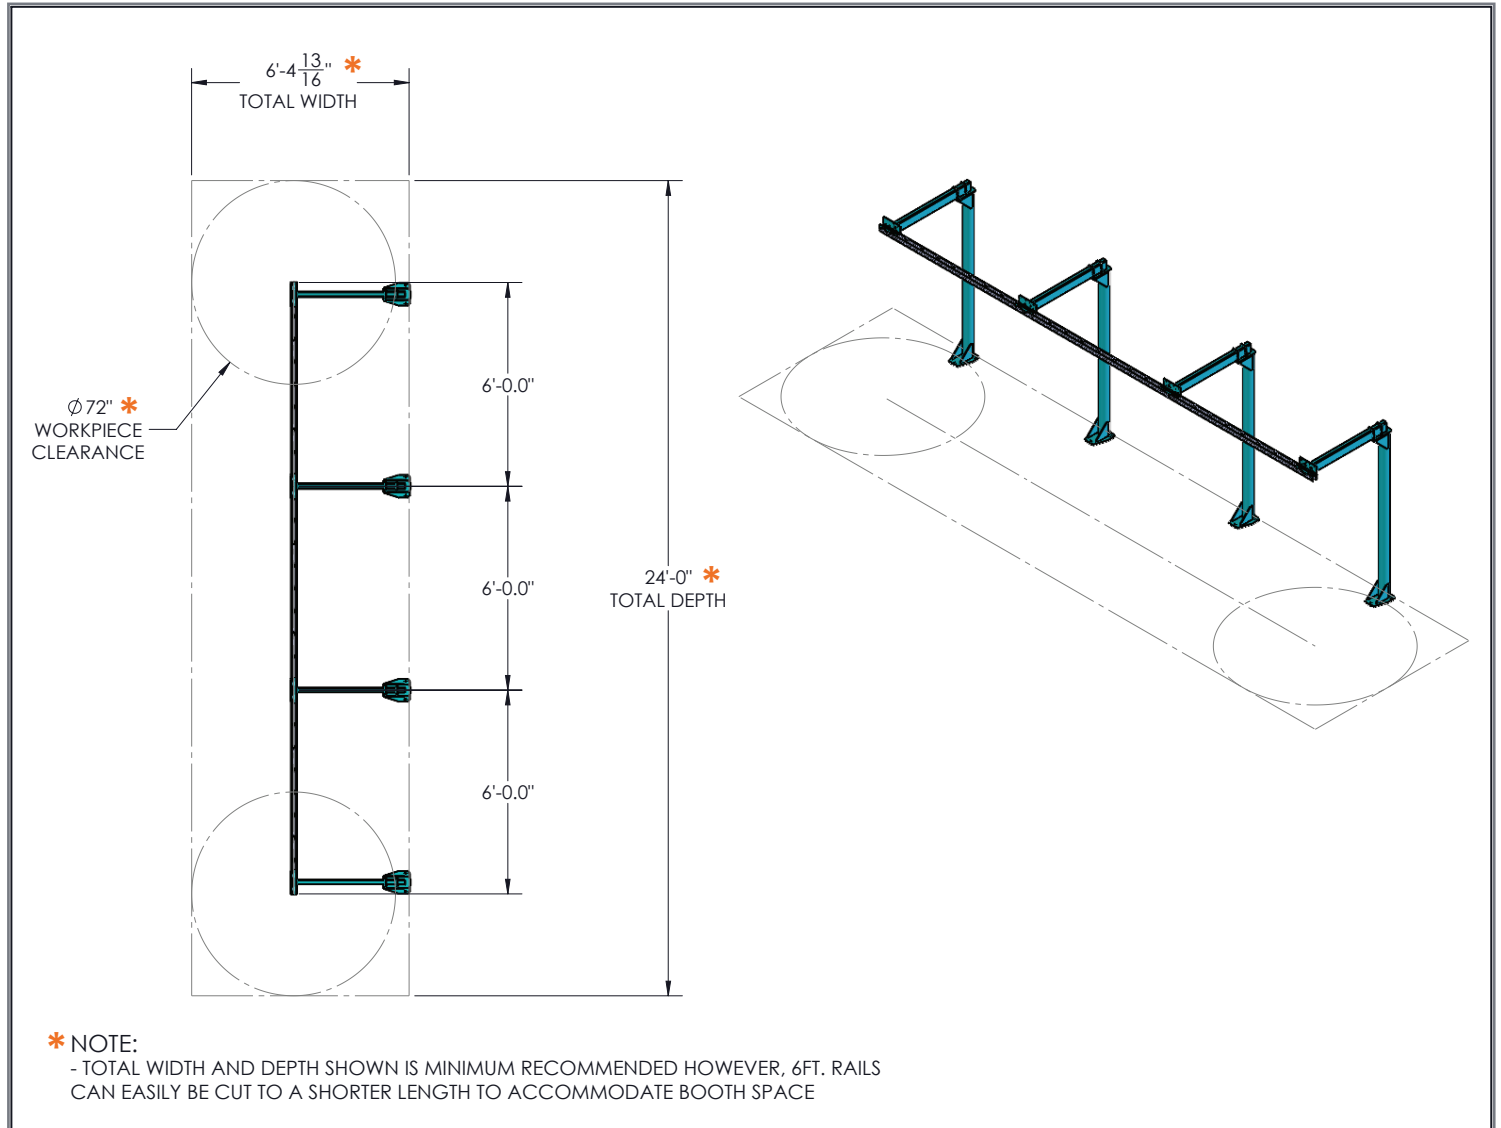

Description	Qty	Rate	Amt
PivotLine Stationary Rail Kit 18ft. Straight Complete 3 - Aluminum rail - 6 ft. length * 4 - Rail Support / Joiner 	1	\$1,392.00	\$1,392.00
Rolling Spray Hub Rolls smoothly and pivots in 90° increments allowing for easy spraying of all sides 	20	\$84.00	\$1,680.00
Twist Stop Insert into stationary and mobile rails to prevent unwanted movement of materials 	2	\$89.00	\$178.00
T-Bar - Short (17") Hang doors using EFC or Offset Hangers. Group multiple parts together by hanging Offset and Universal Hangers across top of T-Bars 	6	\$25.00	\$150.00
T-Bar - Medium (34") Hang doors using EFC or Offset Hangers. Group multiple parts together by hanging Offset and Universal Hangers across top of T-Bars 	8	\$42.00	\$336.00
T-Bar - Large (46") Hang doors using EFC or Offset Hangers. Group multiple parts together by hanging Offset and Universal Hangers across top of T-Bars 	6	\$56.00	\$336.00
Offset Hanger w/screws For hanging drawer fronts, face frames, and other miscellaneous components 	20	\$11.20	\$224.00
Universal Hanger w/screws For hanging shelves, face frames, and other miscellaneous components 	10	\$11.20	\$112.00
EFC (Spring Clip) For hanging panels from hinge pockets to hang on T-Bars 	60	\$1.50	\$90.00

* 6 ft. rails can easily be cut to shorter length if needed

Subtotal	\$4,498.00
Shipping & handling	\$0.00
Discount	\$0.00
Tax	\$0.00
Total	\$4,498.00

Quick-Start Kit: 18ft Straight Floor Mount

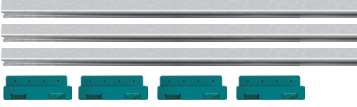

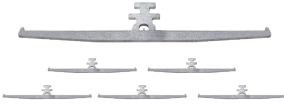

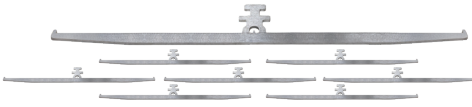

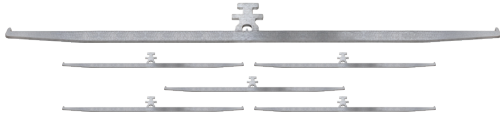

Allows 40 parts to be processed at a time

The PivotLine System can be configured to fit any shop size and budget. Our quick-start kits cover some of our most popular use cases, and as your shop's volume increases, the system can easily be expanded or reconfigured.

18ft Straight Kit: Allows for smooth back-and-forth movement of parts along the rail.

A complete list of the included components and pricing is on the following page.

Description	Qty	Rate	Amt
PivotLine Stationary Rail Kit 18ft. Straight Complete 3 - Aluminum rail - 6 ft. length* 4 - Rail Support / Joiner 	1	\$1,392.00	\$1,392.00
Rolling Spray Hub Rolls smoothly and pivots in 90° increments allowing for easy spraying of all sides 	20	\$84.00	\$1,680.00

Quick-Start Kit: 12ft Straight Ceiling Mount

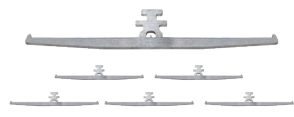

Allows 40 parts to be processed at a time

The PivotLine System can be configured to fit any shop size and budget. Our quick-start kits cover some of our most popular use cases, and as your shop's volume increases, the system can easily be expanded or reconfigured.

12ft Straight Kit: Creates a directional flow of parts from the infeed mobile rail, across rail, and onto the outfeed mobile rail.

A complete list of the included components and pricing is on the following page.

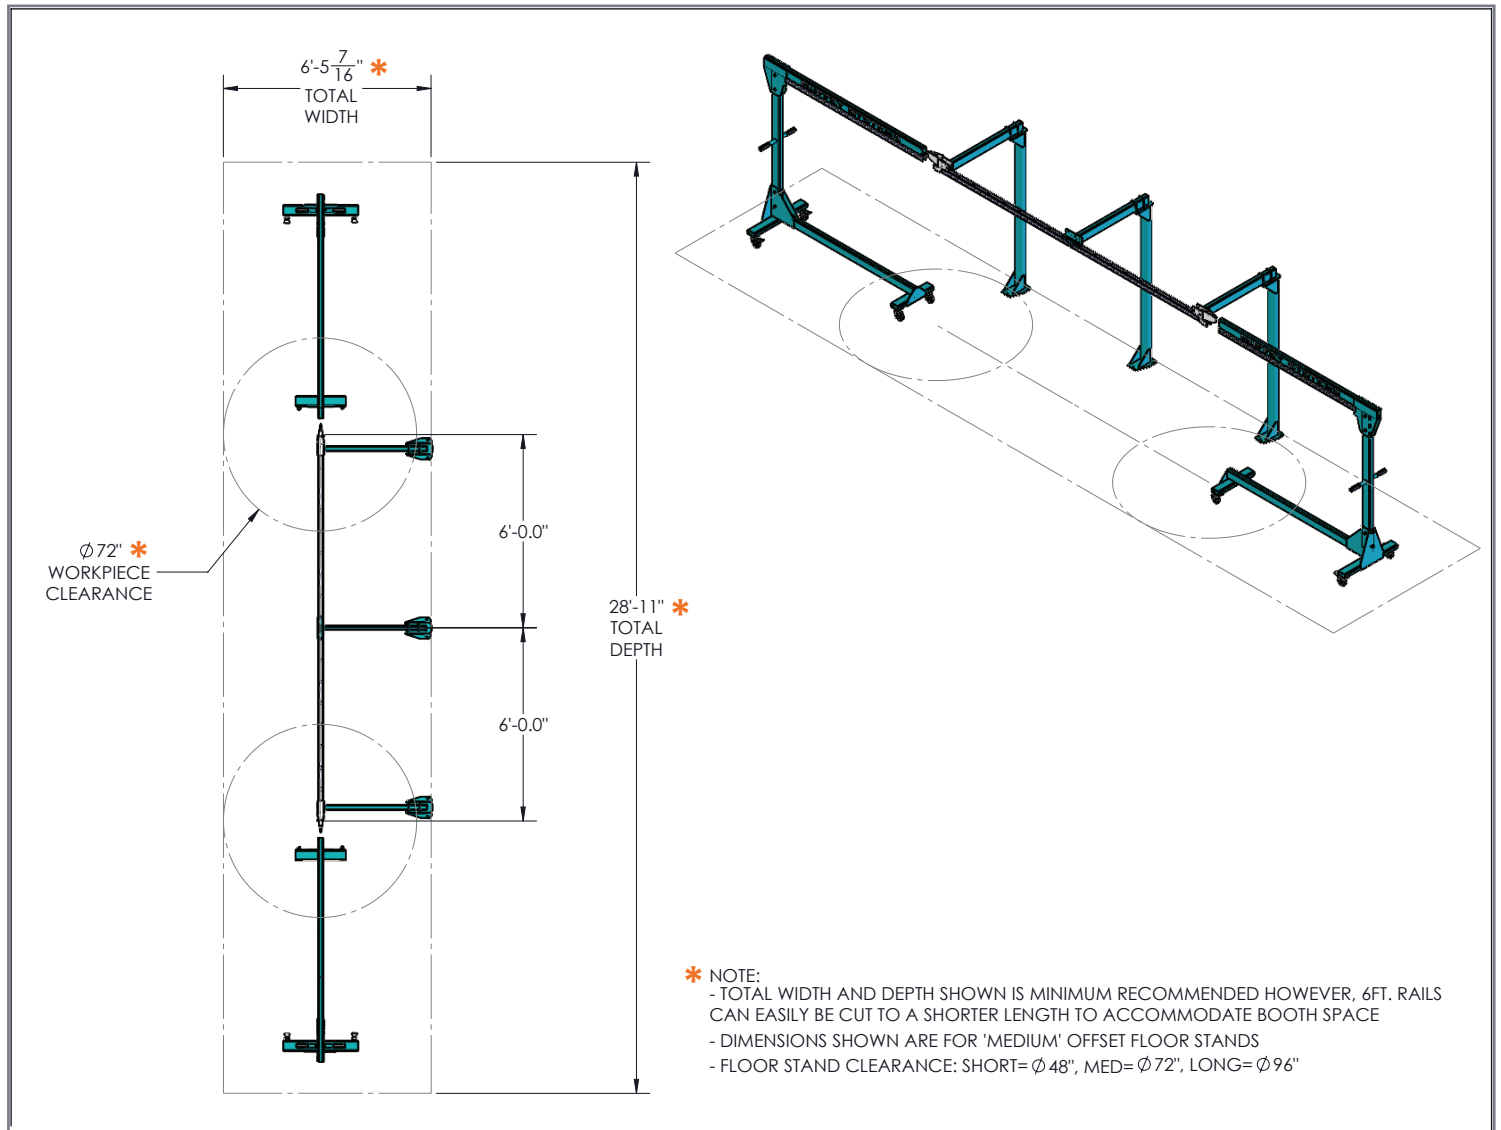

Description	Qty	Rate	Amt
PivotLine Stationary Rail Kit 12ft. Straight Complete 2 - Aluminum rails - 6 ft. length* 2 - Mobile Couplers 1 - Rail Support / Joiner 	1	\$1,558.00	\$1,558.00
Mobile Rail Used for loading, off-loading, drying, and storage of parts. A key component for maximizing PivotLine efficiency and reducing material handling 	2	\$2,150.00	\$4,300.00
Rolling Spray Hub Rolls smoothly and pivots in 90° increments allowing for easy spraying of all sides 	20	\$84.00	\$1,680.00
Twist Stop Insert into stationary and mobile rails to prevent unwanted movement of materials 	4	\$89.00	\$356.00
T-Bar - Short (17") Hang doors using EFC or Offset Hangers. Group multiple parts together by hanging Offset and Universal Hangers across top of T-Bars 	6	\$25.00	\$150.00
T-Bar - Medium (34") Hang doors using EFC or Offset Hangers. Group multiple parts together by hanging Offset and Universal Hangers across top of T-Bars 	8	\$42.00	\$336.00
T-Bar - Large (46") Hang doors using EFC or Offset Hangers. Group multiple parts together by hanging Offset and Universal Hangers across top of T-Bars 	6	\$56.00	\$336.00
Offset Hanger w/screws For hanging drawer fronts, face frames, and other miscellaneous components 	20	\$11.20	\$224.00
Universal Hanger w/screws For hanging shelves, face frames, and other miscellaneous components 	10	\$11.20	\$112.00
EFC (Spring Clip) For hanging panels from hinge pockets to hang on T-Bars 	60	\$1.50	\$90.00

* 6 ft. rails can easily be cut to shorter length if needed

Quick-Start Kit: 6x6x6 U-Shape Ceiling Mount

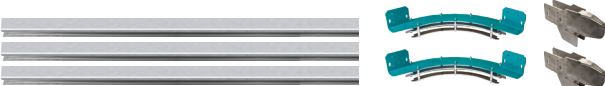

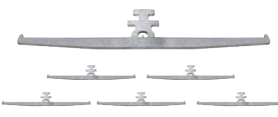

Allows 40 parts to be processed at a time

The PivotLine System can be configured to fit any shop size and budget. Our quick-start kits cover some of our most popular use cases, and as your shop's volume increases, the system can easily be expanded or reconfigured.

6x6x6 U-Shape Kit: Ideal for open face or enclosed booths. Allows for a continuous directional flow of parts from the infeed mobile rail, along the rail to the spraying area, and continuing along the rail and onto the outfeed mobile rail. The finisher can easily reach and maneuver the parts throughout the process.

A complete list of the included components and pricing is on the following page.

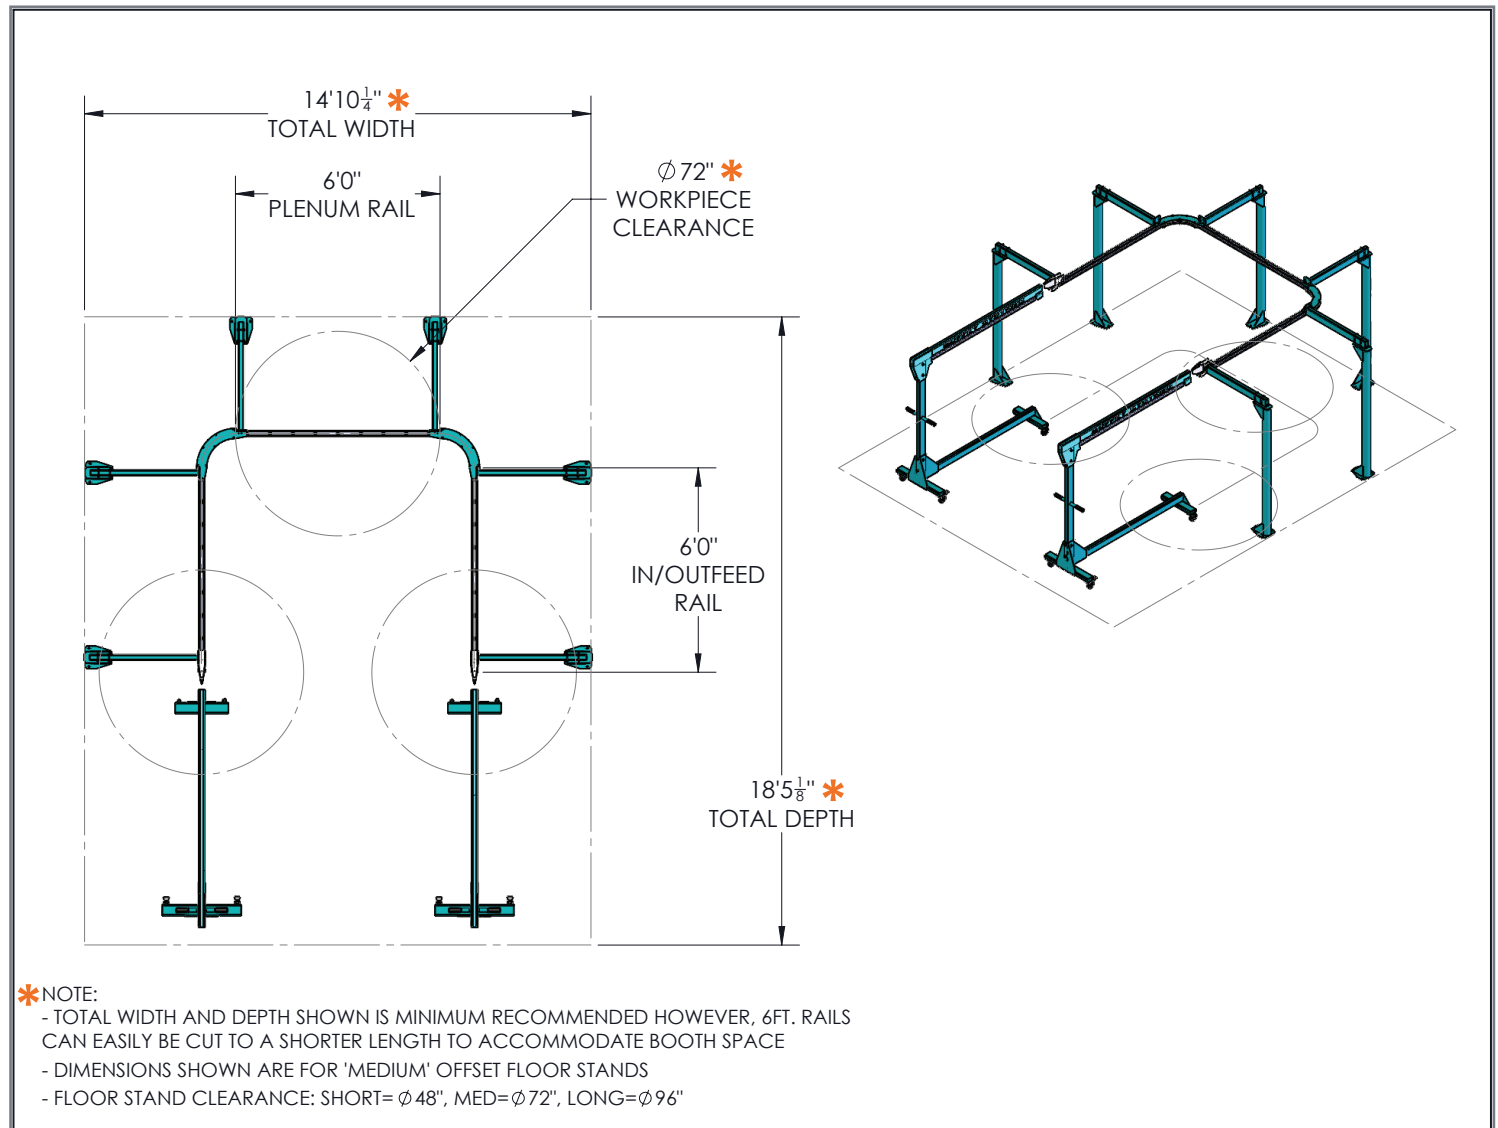

Description	Qty	Rate	Amt
PivotLine Stationary Rail Kit 6x6x6 U-Shape Complete 3 - Aluminum rails - 6 ft. length* 2 - Rail Corners 90° 1 ft. Radius 2 - Mobile Couplers 	1	\$2,690.00	\$2,690.00

Manual-Rail Finishing System

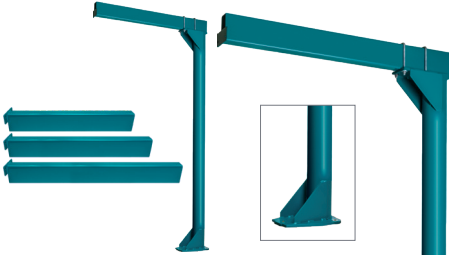

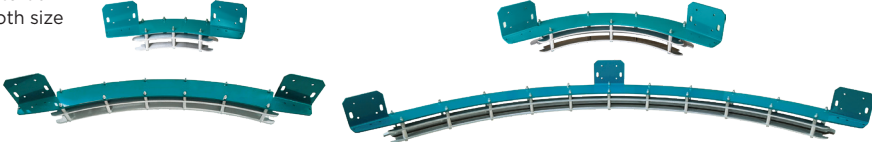

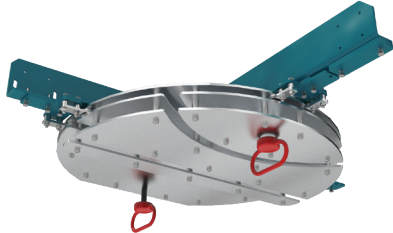

Components and System Add-ons

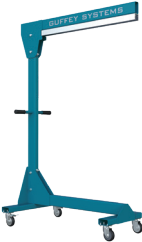

Our products are built and assembled in the USA with the highest quality durable materials. The system has been designed as industrial-quality equipment that's ready for years of trouble-free service.

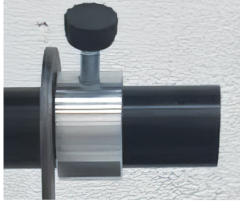

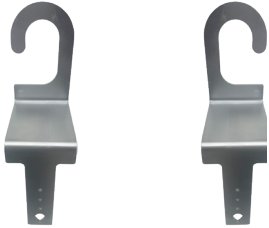

Guffey Systems
The Power of Productivity

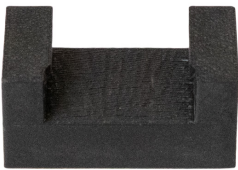

Description	SKU/Qty	Amt
Stationary Rail Aluminum rail - 6 ft. length * Use for both ceiling and floor mount  * 6 ft. rails can easily be cut to shorter length if needed	GSP-1018 1	\$360.00
Floor Stand For floor-mounted rail configurations Floor Stands are available with 3 stand-off length options (shown right): • Small (48" max material size) • Medium (72" max material size) • Large (96" max material size) Why choose a floor stand? Floor stands are a good option for spray areas with tall ceilings. It also provides a turnkey solution for the customer that doesn't require purchasing anything outside the kit. 	GSP-0338 GSP-0438 GSP-0538 1	\$615.00
Rail Support / Joiner Includes hardware. Connects rail sections and provides an attachment point for floor stand or ceiling mount installation 	GSP-1020 1	\$78.00
Rail Corners Corners allow the rail layout to be configured to your spray booth size and configuration • 45° 1' radius • 45° 3' radius • 90° 1' radius • 90° 3' radius 	GSP-1050 1 (45° 1' radius) GSP-1060 1 (45° 3' radius) GSP-1030 1 (90° 1' radius) GSP-1040 1 (90° 3' radius)	\$450.00 \$1,000.00 \$425.00 \$1,200.00
Diverter Rotating rail disc installs into a stationary rail and allows rolling spray hubs to flow in any direction through a T-junction • Simple to install anywhere in a straight rail section, or it can replace a 1' radius corner • Prevents spray hubs from dropping out of any rail branch • Ideal for enclosed loop systems 	GSP-1007 1	\$2,480.00
Coupler Attaches to the end of an open rail to allow coupling of a mobile rail to a stationary rail. Also acts as the mounting point for ceiling or floor installation of the rail 	GSP-1015 1	\$380.00

Description		SKU/Qty	Amt
Twist Stop Insert into stationary and mobile rails to prevent unwanted movement of materials		GSP-1009 1	\$89.00
			
Mobile Rail - Standard Used for loading, off-loading, drying, and storage of parts. A key component for maximizing PivotLine efficiency and reducing material handling • 20 spray hub capacity • Hang multiple parts per T-Bar to increase the capacity of any mobile rail		GSP-1003 1	\$2,150.00
			
Compact Mobile Rail Used for loading, off-loading, drying, and storage of parts. A key component for maximizing PivotLine efficiency and reducing material handling • Shorter length mobile rail works great for smaller spaces • Use for hanging multiple heavier items • 12 spray hub capacity • Hang multiple parts per T-Bar to increase the capacity of any mobile rail		GSP-1005 1	\$1,875.00
			
Rolling Spray Hub Rolls smoothly and pivots in 90° increments allowing for easy spraying of all sides		GSP-1001 1	\$84.00
			
Heavy-Duty Spray Hub • For longer life and improved wear in demanding production environments • Steel rollers and hooks for increased strength and durability • Use when spraying heavier parts on a consistent basis		GSP-1002 1	\$135.00
			
Spray Hub Spacer Kit		GSP-1011 Spacer Housing 1	\$29.00
• Use to add distance between spray hubs on the PivotLine rail • Use spacer housing alone for an extra 1" pitch between spray hubs (4 1/2" total) • Use kit with adjustable metal arms to further increase pitch between hubs (from 8 1/4" to 12 1/4" total)		GSP-1013 Spacer Kit 1	\$62.00
			

* Rolling Spray Hub not included

Description	SKU/Qty	Amt
EFC (Spring Clip) For hanging panels from hinge pockets to hang on T-Bars 	GSP-0104 Bag of 4	\$6.00
Offset Expansion Hanger • Tool-Free Fit – Press into hinge pocket with no tools • Twist Snug – Expander tightens for a firm, wobble-free hold • Spray Block – Blocks hinge pocket from collecting overspray • Clean Lifting Point – Handle avoids finish damage • Full Coverage – Offset design allows full spray access • Versatile Compatibility – Works with PivotPoint™ and PivotLine® systems 	GSP-0749 1	\$18.00
	GSP-0762 2-pack	\$32.00
Offset Hanger w/screws For hanging drawer fronts, face frames, and other miscellaneous components 	GSP-0105 1	\$11.20
Universal Hanger w/screws For hanging shelves, face frames, and other miscellaneous components 	GSP-0106 1	\$11.20
T-Bar Hang doors using EFC or Offset Hangers. Group multiple parts together by hanging Offset and Universal Hangers across top of T-Bars Available in: • 17" (for use with hinge pitch up to 20") • 34" (for use with hinge pitch up to 37") • 46" (for use with hinge pitch up to 49") 	GSP-0117 1 (17")	\$25.00
	GSP-0134 1 (34")	\$42.00
	GSP-0146 1 (46")	\$56.00
Spindle T-Bar • Hang multiple spindles on a single T-Bar and reduce material handling • Different shaped speed holes in a 37" T-Bar provides consistent spacing between hanging parts • Also allows for the staggering of parts that are hanging adjacent to each other 	GSP-0148 1	\$60.00
Spindle Hanger For use with balusters, columns, or other items requiring finishing on all sides • Hang multiple spindles on a single T-Bar and reduce material handling • Allows parts to be freely rotated and allows consistent straight-on spraying toward an exhaust fan 	GSP-0150 1	\$17.00

Description	SKU/Qty	Amt
T-Plate Simple strong bracket for unusual situations, or for making your own hanger • Use the 4 holes for holding heavier items that do not require finishing on the backside • Use center teardrop opening for hanging items using metal "S" hooks ("S" hooks not included) • Compatible with all spray hubs and fixed mounts 	GSP-0102 1	\$18.00
