

Quick-Start Kit: 18ft Straight Ceiling Mount

Allows 40 parts to be processed at a time

The PivotLine System can be configured to fit any shop size and budget. Our quick-start kits cover some of our most popular use cases, and as your shop's volume increases, the system can easily be expanded or reconfigured.

18ft Straight Kit: Allows for smooth back-and-forth movement of parts along the rail.

A complete list of the included components and pricing is on the following page.
